**PROJECT LOCATION:** 2512 South Robertson Boulevard

**REQUESTED ACTION:** The Zoning Administrator will consider:

1. A Conditional Use, pursuant to the provisions of Section 12.24-W,49 of the Los Angeles Municipal Code, to permit the installation, use and maintenance of a new unmanned 54-foot monopine wireless telecommunications facility consisting of 12 panel antennas, 1 microwave antenna, a fixed stand-by generator, and associated ground-level equipment.
2. Pursuant to Section 21084 of the California Public Resources Code, the above referenced project has been determined not to have a significant effect on the environment and which shall therefore be exempt from the provisions of CEQA.

The purpose of the hearing is to obtain testimony from affected and/or interested persons regarding this project. The environmental document will be among the matters considered at the hearing. The decision

maker will consider all the testimony presented at the hearing, written communication received prior to or at the hearing, and the merits of the project as it relates to existing environmental and land use regulations.

**Exhaustion Of Administrative Remedies:** If you challenge a City action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence on these matters delivered to the Department before the action on this matter will become a part of the administrative record. Note: This may not be the last hearing on this matter.

Section 704 of Title 7 of the Federal Telecommunications Act of 1996 (effective February 8, 1996), contains the following language:

"IV. No State or local government or instrumentality thereof may regulate the placement, construction, and modification of personal wireless service facilities on the basis of the environmental effects of radio frequency emissions to the extent that such facilities comply with the Commission's regulations concerning such emissions."

Any concerns regarding health risks from this proposed facility should be directed to the Federal Communications Commission, Office of Engineering and Technology, 445 12th Street S.W., Washington, DC 20554, toll-free telephone: 1-888-CALL-FCC (1-888-225-5322), website: <http://www.fcc.gov/oet/rsafety>, or e-mail: [rfsafety@fcc.gov](mailto:rfsafety@fcc.gov).

**Advice To Public:** The exact time this report will be considered during the meeting is uncertain since there may be several other items on the agenda. Written communications may be mailed to the Los Angeles City Planning Department, Office of Zoning Administration, 200 N. Spring Street, Room 763, Los Angeles, CA 90012 (attention: Antonio Isaia).

**Review Of File:** The file, including the application and the environmental assessment, are available for public inspection at this location between the hours of 8:00 a.m. to 4:00 p.m., Monday through Friday. Please call (213) 978-1318 several days in advance to assure that the files will be available. The files are not available for review the day of the hearing.
